As soon as this application is reviewed and accepted, you will be mailed the welcome/assessment packet for your family. The sections of the assessment tests should be given to your students over the course of a few mornings. The sooner you return the completed assessments, the sooner your academic advisor can start the planning process with you. Assessment evaluation turn-around times are longer during the homeschool planning and conference season. We encourage you to promptly return the completed assessments so we can start planning the upcoming school year with you as soon as possible.
